

The Wisconsin No Call List has improved the quality of life for me and my family. I want our law to remain as is. I do not want to be bothered by nuisance telemarketing from businesses or affiliates simply because I have had contact with the business in the past. If I want something, I will contact them. I have enjoyed not being constantly bothered by telemarketers since the law has been in place. In addition, my elderly parents are very vulnerable to the tactics used by telemarketers, and the No Call option has helped their financial situation greatly. Leave Wisconsin's No Call law in place!
